

Dr. P.Anandha Kumar

S.No	Name of the Patent	Patent Description
1	Title of Invention: Intelligent Tracking Self Defence and Threat Alert System based on IOT for Women Safety	Patent No.: 2020103682 Granted Date : 20/1/21 Agency: Australian Government Intellectual Property Australia

Dr. G. Rajesh

S.No	Name of the Patent	Patent Description
1	Title of Invention: System and method for remote proctoring Application No.: 202041026134A Field of Invention: computer science Publication date : 10/07/2020	Publication Number: 28/2020 Page Number: 25960 Agency: Intellectual Property India, Government of India.
2	Title of Invention: A IoT based smart water tank with automatic bathing water quality awareness alert system Application No.: 202011030663 Field of Invention: computer science Publication date : 28/08/2020	Publication Number: 35/2020 Agency: Intellectual Property India, Government of India.
3	Title of Invention: Zero powered motor Application No.: 202041021841 Field of Invention: Electrical Publication date : 12/06/2020	Publication Number: 24/2020 Agency: Intellectual Property India, Government of India.
