S.No	Name of the Faculty	Title for Invited Lectures	Date	Venue
1	Dr. Radha Senthilkumar	Being a Continuous Research" for National level Online FDP on Multidimensional skill set of Current generation of Teaching professionals	18th Jun 2021	Prathyusha Engineering College, Tiruvallur
		"Knowledge Representation & Reasoning - Proposition Logic - First Order Predicate Logic And Unification - Forward Chaining - Backward Chaining - Resolution"	18th Jan 2022	Easwari Engineering College, Chennai
		"Prolog Programming ", Two Weeks Of International FDP On Recent Trends And Challenges In AI, IOT, And Blockchain,	10th Feb 2022	Easwari Engineering College, Chennai

		"Data Science, Need , Benefits, Facets, Process And Setting The Research Goal", Online FDP On Fundamentals Of Data Science".	27th Jun 2022	Meenakshi Sundararajan Engineering College, Chennai
		"Artificial Intelligence Vs Data Science Vs Machine Learning Vs Deep Learning On "Five Day Virtual FDP On Insights And Open Challenges in Computing Technologies".	15th Jul 2022	Sri Sairam Engineering College, Chennai-
2	Dr.P.Kola Sujatha	"Supervised Learning" In The FDTP On IT8601 Computational Intelligence.	25th Jan 2022	Easwari Engineering College, Chennai.
		"Machine Learning Algorithms" In The One Week International FDP On Machine Learning And Deep Learning.	21th Feb 2022	Easwari Engineering College, Chennai.

3	Dr.J.Dhalia Sweetlin	R Programming	26th May 2020	Karunya Institute Of Technology And Sciences
		Feature Selection Using Bio Inspired Algorithms	1st Feb 2020	Department of Information Technology, MIT.
		RSA Algorithm Key Management Diffie Hellman Key Exchange	11th Jun 2019	GKM College Of Engineering And Technology
		R Programming	1th Jun 2020	RMD Engineering College
		Bio Inspired Optimization Algorithms &Amp; Their Influence In Machine Learning.	4th Oct 2021	Sri Sairam Institute Of Technology, Chennai.
		Machine Learning Algorithms	19th Jan 2022	Easwari Engineering College,Chennai

4	Dr.B.Lydia Elizabeth	Overview Of Blockchain Technology	1st Mar 2019	Kongu Engineering College, Erode
		Permission And Permissionless Blockchains.	2nd Mar 2019	Kongu Engineering College
		Role Of Blockchain In Cybersecurity.	6th Jul 2019	Kongu Engineering College
5	Dr.D.Sangeetha	Research Oriented Two day FDTP on "Research Trends in Data Analytics and Bio-inspired computing	31st Jan 2020	MIT Campus, Anna University
		"Cloud Privacy and Security".	11th Oct 2021.	GRT College of Engineering and Technology, Chennai

5	Ms.M.Hemalatha	"Recent Advances In Deep Learning And Its Applications", Conducted By The Machine Learning Research Group For 5 Days FDP. "Generative Adversarial Networks (GAN)".	7th Mar 2022	SSN College of Engineering
6	Dr.P.Lakshmi Harika	"Bioinformatics" In AICTE Sponsored Six Days Online Short Term Training Programme Deep Learning.	15th Sep.2020	Computer Science Engineering Department V.S.B. Engineering College Karur
